

What is Hazmat?

Hazardous material means a substance or material that the Secretary of Transportation has determined is capable of posing an unreasonable risk to health, safety, and property when transported in commerce, and has designated as hazardous under section 5103 of Federal hazardous materials transportation law (49 U.S.C. 5103). The term includes hazardous substances, hazardous wastes, marine pollutants, elevated temperature materials, materials designated as hazardous in the Hazardous Materials Table (see 49 CFR 172.101), and materials that meet the defining criteria for hazard classes and divisions in part 173 of subchapter C of this chapter.

How can I verify if my product is Hazmat or not?

- A. If there is any one of following diamond shape label marked on your product or package, they are Hazmat.

- B. Ask manufacturer or supplier if your product is regulated by US Department of Transportation (DOT) or United State Postal Service (USPS). If yes, ask them provide Material Safety Data Sheet (MSDS) for detail. You should always ask for MSDS if you are not sure if your product is regulated or not.
- C. Call following hot line for more information:
1. DOT Hazmat Hotline: 1-800-467-4922
 2. USPS: 1-800-275-8777
 3. UPS Hazardous Materials Support Center: 1-800-554-9964.
 4. FedEx: 1-800-463-3339

Following list is an example of potential hazmat from different category, for reference only.

Category	Potential Hazmat list
Accessories	barometers; fire extinguishers or firefighting equipment
Appliance	air conditioning equipment;
Auto & Hardware	air bag inflators; air bag modules or seat-belt pretension; fuel control devices; carburetors; gas lines; gas tanks; adhesives; paints; sealants; solvents; rechargeable Drills; powered hand tools; repair Kits; grease; cleaning product
Beauty	cosmetics; perfume
Camera & Photo	batteries; photographic supplies
Cell Phone Accessories	batteries
Computer Hardware	batteries
Consumer Electronics	batteries
Health & Personal care	breathing apparatus; oxygen generator; dental apparatus; medical supplies Room or linen sprays essential oils cologne aftershave shaving creams or gels hairspray nail polish gels body spray creams oils sunscreen

Home Improvement	power tool; liquefied petroleum; gas torches; paints; drying agents; thinners; bleaches; spray cans ; Laundry Supplies;
Office Supplies	aerosols; printing ink; batteries; ink cartridge
Outdoor & Garden	Cylinder/Container/ Tank may contain compressed gases; fertilizer; swimming Pool supply; jacuzzi chemicals; hand sanitizers; alcohol wipes; insect repellent; flares; first aid kits Insecticides
Sports Goods	ammunition; batteries; cooking stoves; flammable gas; fire starting pastes; flammable liquids; heat producing packets; lighters; matches; signal flares;
Toys Games & Hobbies	Batteries; remote-controlled toys; craft kits; glue
Unlocked Cell Phones	Batteries
